

# Proiect Erasmus+ „Digital Trace of Cultural Heritage”

## Mobilitate: „Realization”

**Mobilitatea 'Realization' din cadrul proiectului Erasmus+ „Digital Trace of Cultural Heritage” se va desfășura în perioada 13-17 mai 2024, la Colegiul Național „Spiru Haret” din Tecuci! Elevii vor avea oportunitatea de a explora patrimoniul cultural al altor țări și de a învăța cum să îl păstreze și să îl promoveze folosind instrumente digitale. Vom colabora cu școli din Lituania, România, Turcia și Croația pentru a crea legături culturale și pentru a înțelege mai bine moștenirea noastră comună.**

**Să ne bucurăm de această experiență minunată și să fim deschiși la noi cunoștințe și prietenii!**
